

Lushberg
GATHERING BETTER COMMUNITIES

The Lushberg logo consists of the brand name in a large, white, serif font. Above the letter 'h', there is a stylized house roof icon with two birds perched on the eaves. Below the main name, the tagline 'GATHERING BETTER COMMUNITIES' is written in a smaller, white, sans-serif font.

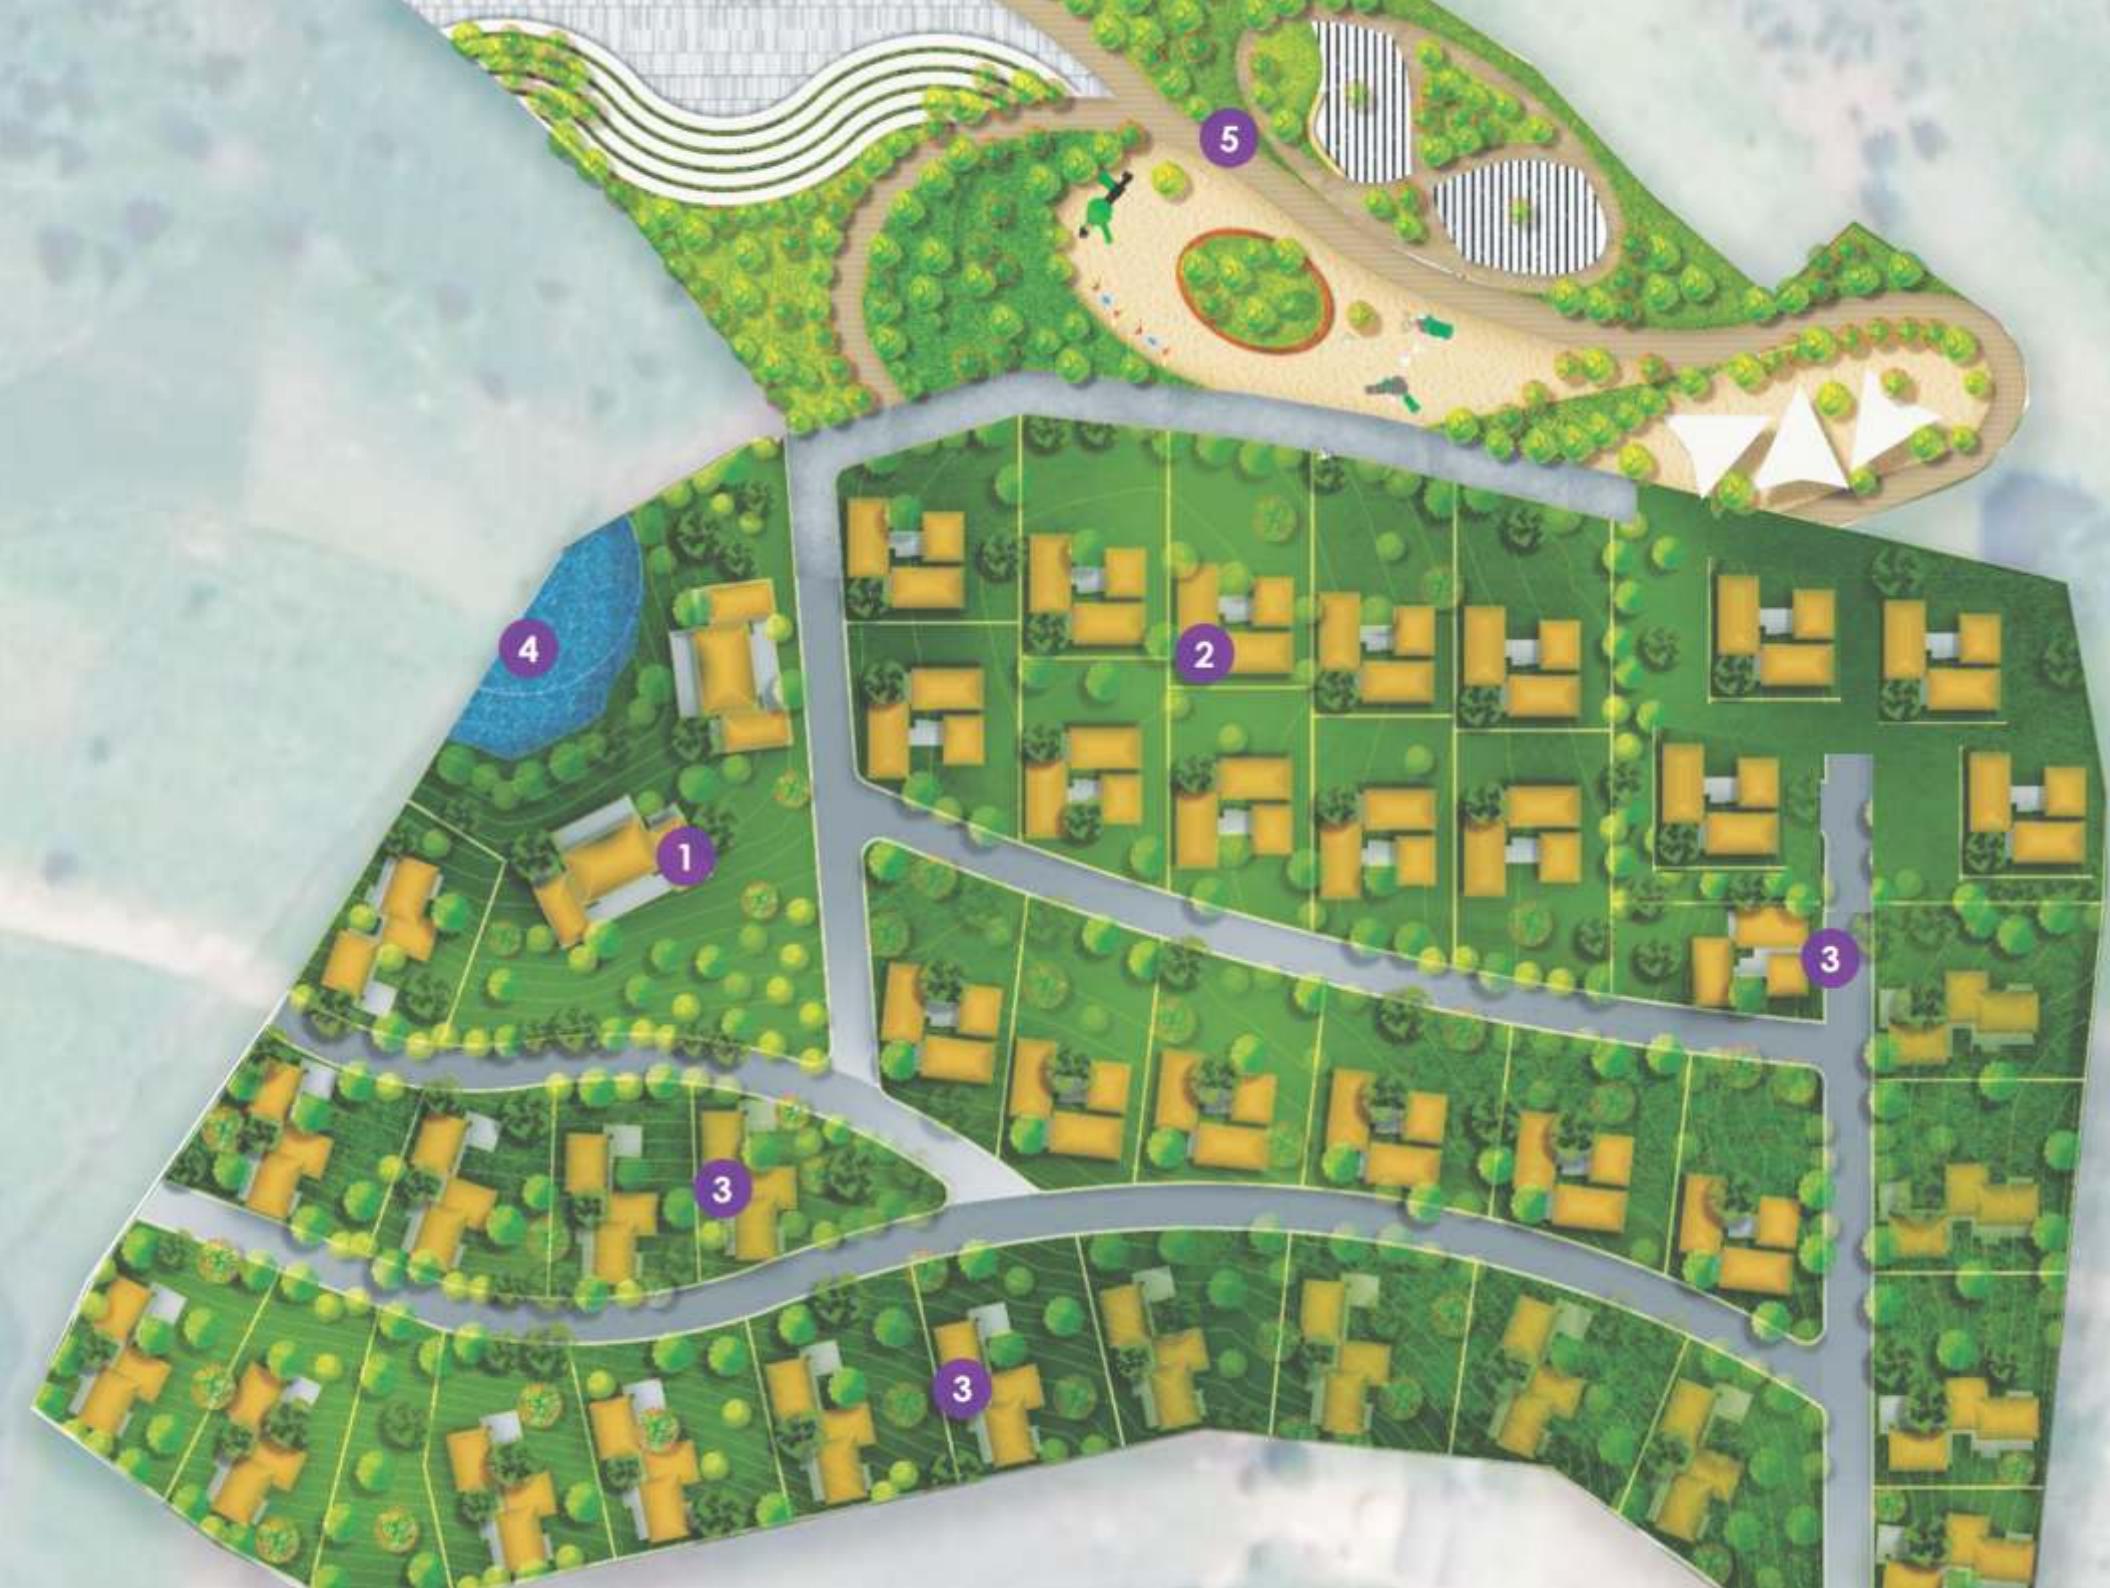

The Wild
VALLEY

The Wild Valley logo features the words 'The Wild' in a large, white, cursive script font, with 'VALLEY' in a smaller, green, sans-serif font below it. To the left of the text is a golden elephant head icon with intricate patterns.

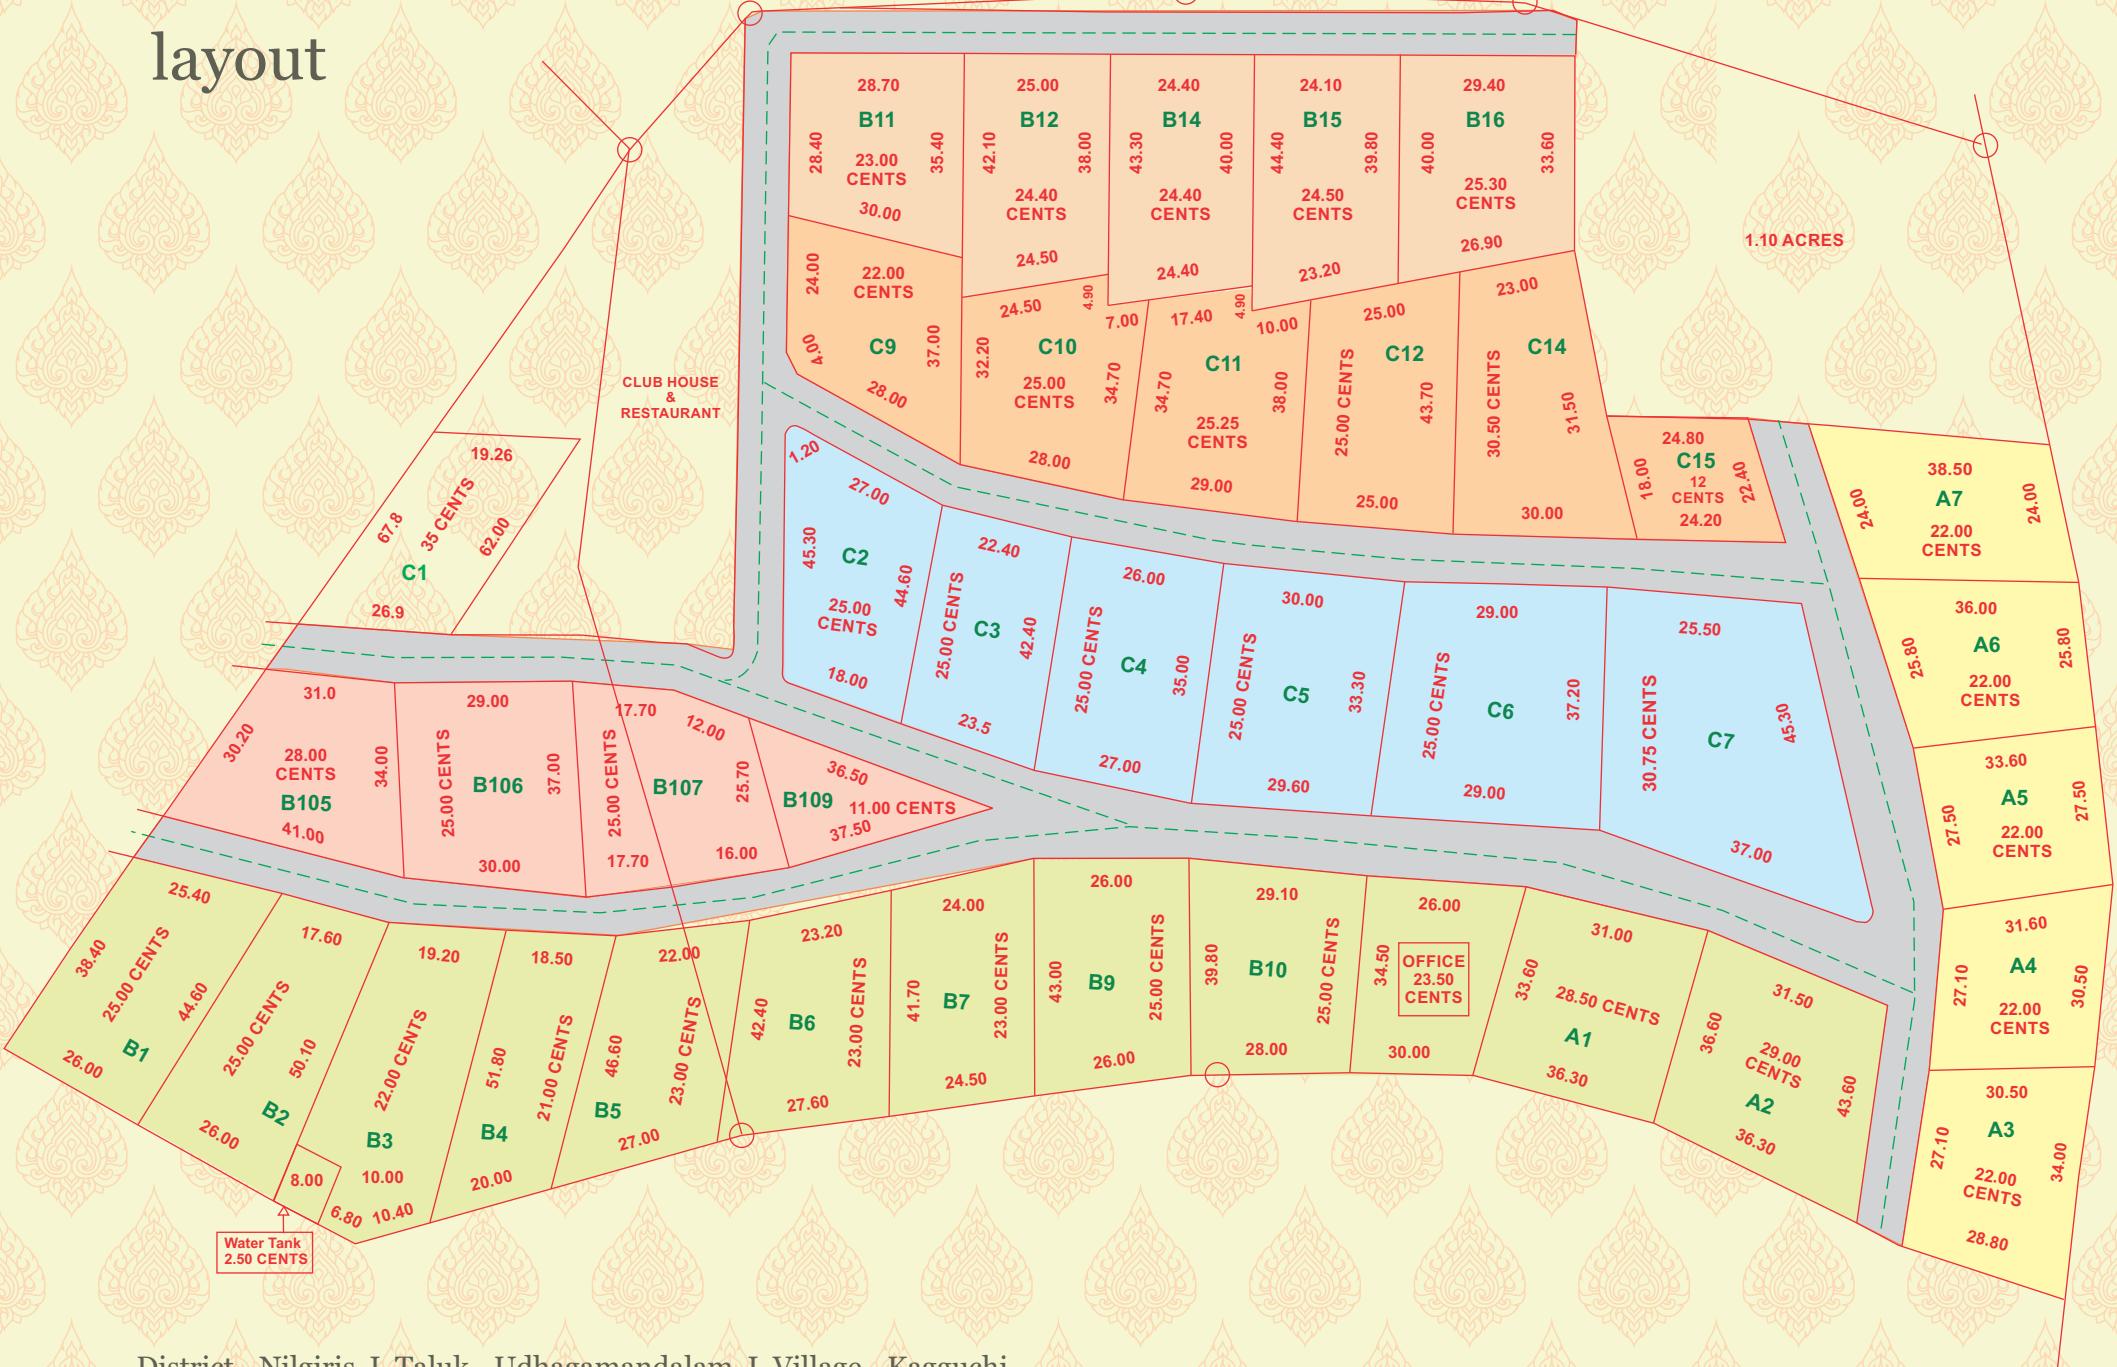

Mist and dew all over To make life feel anew. No concrete jungles,
no blaring sounds; Only the lark and birds singing. An abode here is a
cherished dream to many, Which is a glorious reality now on.
For this is where heaven and earth are one ; The mighty Nilgiris,
famed all over. Beckons you in all splendour.
